

Mainline Tubs

Affordable Luxury

Exceptional design, quality and contemporary styling are just a few reasons that make Mainline your affordable choice for luxury baths.

The Choice for Quality, Beauty and Reliability

Mainline now offers Air Baths, Whirlpool Baths, Whirlpool Baths with Factory Installed In-Line Heater, and Soaker Baths. Each is designed with trouble-free, easy installation in mind, and is constructed of durable, high-gloss acrylic for enduring beauty and reliability.

Whirlpool Baths

Our whirlpool baths provide a deep, sumptuous hydromassage from powerful, directionally adjustable jets. Enjoy your bathing experience longer in a luxury Whirlpool Bath with optional factory-installed in-line heater!

Features include:

- 6 directionally adjustable jets
- Built-in armrests on select models
- 4.8 AMP motor with run-dry protection
- Optional factory installed in-line heater

Air Baths

Our new air baths provide a unique, gentle massage from millions of delicate, warm air bubbles.

Features include:

- Approved for salts and aromatic oils
- Built-in armrests on select models
- Timed purge cycle
- 600-watt variable speed heated air blower

Soaker Baths

Choose our deep soaker baths for a relaxing retreat.

Features include:

- Spacious bathing wells
- Built-in armrests on select models
