Wall Mount Adult or Child Barrier Free Access Model

This new refrigerated wall cooler has been designed to meet Adult or Child ADA requirements when installed properly. Increased access is provided by a thinner upper shroud and will be appreciated in environments where children are present.

Standard Features

- No Lead-Design Water system free of lead containing brass parts.
- Uses HFC-134a refrigerant.
- Barrier-Free ADA Design- Designed to meet adult or child accessibility standards.
- Extra Deep Basin - minimized splashing and its one-piece construction, with integrated drain, is vandal resistant and easy to maintain.
- Easy-Touch Controls- Minimal pressure is required for easy operation and increased durability. Models available with front and side Easy-Touch Controls (model EZS) or front only (model EZ).
- Flexi-Guard safety bubbler- Newly styled bubbler complements styling of cooler and is keyed into position to prevent rotation.
- Universal design makes for easy installation to existing plumbing systems.
- Colors: Light Gray Granite is standard. Stainless Steel is available at additional cost.

155-0250	Cooler 4 Gallons per hour	EZS4L
155-0320	Cooler 8.1 Gallons per hour	EZS8L

Two-Level Adult or Child Barrier Free ADA Model

This new water cooler's two-level configuration was designed to meet Adult or Child ADA dual height requirements for both handicapped and able-bodied adults or children. It's easily accessed by wheelchairs and completely free of any lead-containing material to ensure safe, clean drinking water.

Standard Features

- No-Lead Design - Water system free of lead-containing brass parts.
- Uses HFC-134a refrigerant.
- Barrier-Free ADA Design - Designed to meet adult or child accessibility standards.
- Extra Deep Basin - minimizes splashing and its one-piece construction, with integrated drain, is vandal-resistant and easy to maintain.
- Easy-Touch Controls - Minimal pressure is required for easy operation and increased durability. Models available with front and side Easy-Touch Controls (EZSTL models) or front only (EZTL models.)
- Flexi-Guard safety bubbler- Newly styled bubbler complements styling of cooler and is keyed into position to prevent rotation.
- Universal design makes for easy installation to existing plumbing systems.
- Colors: Light Gray Granite is standard. Stainless Steel is available at additional cost.
